## ABOUT US

**Gama Technologies** is a tech firm that deals with designing, assembling, Testing, packing and selling all its electronics equipment.

We offer technology solutions in Manufucturing of Electronics Equipment, Network Setup and Digital Monitoring of Businesses.

Our products are rolled out through our retail stores and on our website.

Together with our high quality and affordable products, we also have the best warrant plans and after sales services.

● ● ●

## OUR VISION

Offering the best solutions in the tech industry by developing High Quality products to solve technological problems

# OUR ACHIEVEMENTS

We have designed the best and very affordable pre-paid smart energy and smart water meters.

We have designed best high quality gadgets that can be used by indivduals and are available at affordable price.

# OUR MODEL

Our model is called IPDMSM

(Identify, Plan, Design, Manufucture, Sale, Monitor)

- Identify a Problem
- Plan a Solution
- Design a Gadget
- Manufucture it
- Sale it
- Monitor it

# OUR PRODUCTS

At Gama Incorporation Ltd we produce a range of electronics products as listed below

## Computers & Laptops

All in One 21.5' DeskStar
All in One 15.1' DeskStar
15.6' Laptop

## SmartPhones & Tablets

10.1' Tablet
Cell Phone

## Smart Meters

Single Phase Energy Meter
Three Phase Energy Meter
Single & Three Phase Energy Meter
Lora Smart Water Meter
UltraSonic Smart Water Meter

## Sound Bar

Gama Sound Bar

## Networking Equipments

Routers
NAS Data Sharing Router
Data Concentrator

## POS Solutions

HH POS

## Smart TV

UHD Smart TV
DLED Smart TV

## Data Servers

Gama Data Server

# All in One 21.5 Inches DeskStar

## Specs

| | | |
|---|---|---|
| CPU | Intel Core i7, 6th Generation | |
| RAM | 16 GB DDR4 | |
| Display | 21.5"  Touch Panel<br>Resolution : 1920*1080 | |
| I/O | 3 USB 3.0 Ports<br>SD Card Slot<br>Ethernet Port<br>HDMI & VGA Port<br>Line Out<br>Mic In<br>DC In | |
| Battery | 7800mAh 12.2V Lithium-ion Polymer | |

**Operating System**

Supports Windows 10 Pro both 32/64 Bits & Linux Systems

**Connectivity:**
Bluetooth : 4.0
Wireless : Dual Band WLAN

**Webcam :** 2.0 MP
**Storage :** 1 TB HDD

**Graphics:**
Integrated Intel Graphics 4000 HD

**Color:**      Silver

## Package

1X All in One CPU Unit
1X Wireless Mouse
1X Wireless Keyboard
1X User's Manual
1X Charging Cable
3 Years Hardware Warranty

# All in One 15.1 Inches DeskStar

## Specs

| | |
|---|---|
| CPU | Intel Core i3, 8th Generation |
| RAM | 8 GB DDR4 |

1X Charger

# Ultrasonic Water Meter

## Specs

| | | | |
|---|---|---|---|
| Communication Protocol | LoRaWAN | Battery | Ten Years Life Span |
| Modulation | LoRa Systems | Shutoff with Solenoid Valves | |
| Material | Pure Plastic | | |

# Smart STS Keypad Water Meter

## Specs

| | | |
|---|---|---|
| Communication Protocol | RF \|LoRaWAN \| GPRS GSM \| Wi-Fi | STS Certified |
| | | Support RF CIU |
| Modulation | LoRa Systems | Built In Keypad for Token |
| | | LCD 6 Digits Display |
| Material | Brass and Plastic | |
| | | Low Credit Warning |
| Battery | Ten Years Life Span | Low Battery Warning |

# Smart Single & Three Phase Energy Meter

## Specs

| | | |
|---|---|---|
| Single and Three Phase Energy Meter | Communication Protocol | RF \|LoRaWAN \| GPRS GSM \| Wi-Fi |
| Advanced Meter Reading Support - AMR | Power Range | 170V - 260V |
| Regular RF Energy Meter | STS Certified | |
| Remote Monitoring | Support RF CIU | |

# Regular Three Phase Energy Meter

## Specs

| | |
|---|---|
| Three Phase Energy Meter | Power Range      170V - 260V |
| Smart PLC - Power Line Communicator | STS Certified |
| Regular RF Energy Meter | Support RF CIU |

# Smart Single & Three Phase Energy Meter

## Specs

Single Phase Energy Meter

Smart PLC - Power Line Communicator

Regular RF Energy Meter

Power Range      170V - 260V

STS Certified

Support RF CIU

# Smart Gas Meter

## Specs

| | |
|---|---|
| Communication Protocol | Wi - Fi Module |
| Power - Off Protection | Low Power Reminder, Power -off Automatic Shut-Off Valve |
| Over - Protection | Overflow using Automatic Shut-off Valve |
| Temperature | -30ºC  to 40ºC |
| Intelligent Interaction | |

# OUR CLIENTS

We identify our clients into two different groups. Which are Corporates and Individuals.

## Corporate Clients

- Electric & Energy Companies

- Water Supply Companies

- Gas & Petrol Supplying Companies

## Individual Clients

These include every one that uses electronics and any gadgets that simplify their daily activities.

These clients will be able to get our products from our stores both physical and online ones.
